Position: New Graduate Veterinarian

Looking for a role that supports your passion for animals, your career growth, and your life outside work? Capital Paws Group might just be the perfect fit for you!

Why Choose Us?

✦ Work-Life Balance

- Flexible schedules to fit your life (we *get* it—family, hobbies, and downtime matter!).
- Access to an Employee Assistance Program with trained psychologists for whenever you need extra support.

🧠 Growth & Development

- Generous CPD allowance + 1 week of study leave annually.
- Formal 12-month New Graduate Program:
 - In-clinic training in various disciplines.
 - Regular new grad rounds with peers.
 - A dedicated mentor outside your clinic to guide you.
- Mentorship tailored to your strengths or specific interests (surgery, imaging, exotics—you name it!).

👥 A Supportive Community

- Be part of our *Capital Paws Family*—11 locally owned and family-run clinics across Canberra.
 - Clinics work individually but share expertise and support, creating a network of diverse skills and interests.
 - Join our special interest groups (ultrasonography, behavior) or social activities (tennis, trivia, baking, bushwalking—you'll find your crew!).
-

What We Offer:

- Opportunities to explore and develop your areas of interest.
- Flexible roles: part-time or full-time—we'll find the best fit for *you*.
- Leadership pathways and potential for future partnerships.

- Access to advanced facilities (e.g., radioactive iodine ward, exotic animal medicine, dermatology).

At Capital Paws, we're serious about fostering the next generation of veterinary professionals while keeping the joy in what we do. If this sounds like the community you've been looking for, let's chat!
