

DOWNER - Full Time/Part Time Veterinarian- Small Animal

About You:

Are you looking to join a group of people who love their job? Are you looking to make a difference to people and pet's lives? Are you interested in work-life balance? So are we! And we want you. We believe in looking after our staff and their well-being. We focus on fostering a caring, close-knit relationship within our people, who support each other day to day. New grads welcome to apply.

About Us:

The Village Vet in Downer, Canberra is a purpose built, modern, 3-year-old clinic with a loyal clientele base. We are locally owned and not associated with a large corporate company. We have wonderful clients who are keen to pursue diagnostics on their pets; we have an onsite laboratory including an IDEXX Procyte Dx & Catalyst One machine, Vetlab UA analyser, Snap pro mobile device and an excellent binocular microscope. All of our anaesthetics are monitored by our highly skilled nurses with advanced multi-parameter monitoring equipment including oscillometric blood pressure testing.

We use a top of the range IM3 Dental machine and the clinic has a purpose built radiography & ultrasound room including digital CR radiographic facilities. We often perform orthopaedic procedures in our sterile surgery including TTAs, MPLs, bone plating, FHO, JPS, De Angelis etc. We also promote ourselves as a feline friendly practice and have a separate cat entrance, cat only waiting room and feline specific consultation room. We always promote a 'stress free' clinic for our pets.

We encourage

- Special interests
- Work-life balance
- CPD
- Having fun at work
- Interesting cases
- Lovely clients
- Making a difference in people's lives
- Competitive salary
- Study leave

Our location

Canberra is a diverse and cultural centre with a great mix of city and rural living. There is a thriving café scene and a great night life. We are close to the NSW coast for weekends away, the snow fields are a 2 and a half hours drive and there are plenty of interesting day trips to explore the local region. Canberra has minimal traffic, plenty of outdoor areas and interest groups to entertain you on the evenings and weekends. Check out this link for more information. <https://canberra.com.au/live/>
